PERSONAL STATEMENT

"I believe that every pixel should have a purpose and every design should tell a story. My mission is to create intuitive, inclusive, and delightful digital experiences that make people's lives easier."

EDUCATION

Bachelor's Degree in Technology – Computer Application for Architecture

Suan Sunandha Rajabhat University, Bangkok **(2016–2020)**

WORK EXPERIENCE

- UX/UI Designer (Senior)
  Extend IT Resource Co., Ltd. | **Apr 2022 – Present**
  - **Facilitate strategic collaboration** with product managers, stakeholders, and engineering teams to translate complex business requirements into intuitive, high-performing design strategies.
  - **Spearheaded the end-to-end UX/UI lifecycle** from discovery and research to final delivery for high-traffic enterprise platforms including Insurverse and Roddonjai-TTB, significantly enhancing user engagement and brand credibility.
  - **Architected and governed scalable Design Systems** in Figma, streamlining the design-to-development handoff and ensuring 100% visual and functional consistency across multiple digital products.
  - **Drive data-informed design decisions** by leading usability testing and user research initiatives, effectively identifying and resolving critical friction points to optimize the overall user journey.
  - **Championed Inclusive Design and Accessibility (WCAG)** standards, particularly in the BKI Web Revamp, ensuring digital products are usable and accessible for a diverse range of users.
  - **Directly managed and executed UI design** for a diverse portfolio of corporate projects (e.g., Money DD, ThaiBev, Singer), consistently delivering mobile-first and responsive solutions that align with evolving market trends.
- UX/UI Designer
  1577 Home Shopping Co., Ltd. | **Oct 2021 – Jun 2022**
  - Designed UI for Web and App media.
  - Developed print, online, and advertising designs aligned with brand guidelines.
- Graphic Designer
  Running Connect Co., Ltd. | **Jun 2020 – Oct 2021**
  - Produced promotional graphics, infographics, and digital marketing materials.
  - Designed merchandise and event branding.

SKILLS

- **Strategic:** User Research, Design Thinking, Information Architecture, Accessibility (WCAG).
- **Technical Mastery:** Figma (Expert), Design System Architecture, AI-Powered Design Workflow.
- **Leadership:** Stakeholder Management, Mentoring, Cross-functional Collaboration.

CERTIFICATES

- **IMC Institute (March 2026):** AI for Software Development
- **FutureSkill (2024)**: IT Analysis & Wireframe Design on Figma
- **FutureSkill (2024)**: User Experience Design – Customer Loyalty
